Remington collectors. Absolutely mint Remington 788 in rare 30/30 caliber. Remington 788 was a low price alternative to the more expensive Model 700 but were found to be incredibly accurate despite their modest price. They were workhorses for many hunters, most were used hard and show it. This 788 had maybe 2 boxes of shells through it and never had a scope mounted. Bought it to shoot spitzer bullets in 30/30. If seriously

interested, can provide better photos. Very scarce in this caliber/condition and prices are really increasing. Maine driver's license required. No scammers/low ball offers \$600.00 207-319-3855 Brunswick, ME
