Absolutely mint vintage Franchi AL48 Semi-Automatic 20 gauge, 2 3/4" chamber, 26" ventilated rib barrel with Improved Cylinder fixed choke, incredibly lightweight, only 5 pounds, 4 ounces. One of the very lightest 20 gauge semi-automatic shotguns ever produced. Very nice Italian walnut stock. I bought this brand new in 1971 when I was living in Georgia and this shotgun was deadly on the Bobwhite Quail. Super fast handling and a joy for carrying! Scammers don't bother. Recently installed a brand new Weaver 6X Double-X Reticle in Weaver Rings. I removed the iron sights and no longer have them. Manufactured by Howa who also made high quality rifles for S&W, Weatherby, Interarms and others. Bought new early 1980s and only light use. Especially good for varmints. Very nice rifle in a caliber you don't see much anymore. No scammers/trades/low ball offers. If it's listed, it's still for sale. \$450.00 207-319-3855 Brunswick, ME

Remington collectors. Absolutely mint Remington 788 in rare 30/30 caliber. Remington 788 was a low price alternative to the more expensive Model 700 but were found to be incredibly accurate despite their modest price. They were workhorses for many hunters, most were used hard and show it. This 788 had maybe 2 boxes of shells through it and never had a scope mounted. Bought it to shoot spitzer bullets in 30/30. Can provide additional photos. Very scarce in this caliber/condition and prices are increasing. Maine DL required. No trades/scammers/low ball offers.
