Remington collectors. Absolutely mint Remington 788 in rare 30/30 caliber. Remington 788 was a low price alternative to the more expensive Model 700 but were found to be incredibly accurate despite their modest price. They were workhorses for many hunters, most were used hard and show it. This 788 had maybe 2 boxes of shells through it and never had a scope mounted. Bought it to shoot spitzer bullets in 30/30. Can provide additional photos. Very scarce in this caliber/condition and prices are increasing. Maine DL required. No trades/scammers/low ball offers. If it's listed, it's still for sale \$500.00 207-319-3855 Brunswick, ME

Stoeger Coachgun 12 gauge shotgun with custom added iron sights. It has

also had a custom fitted limb saver recoil pad added. This is a really neat shotgun and in very good shape. It's very accurate for a short barrel side by side, very comfortable to shoot and a lot of fun. It's had maybe 250 shells or so fired through it at most. It is chambered for both 2 3/4" shells and 3" shells. The barrels are 20" in length. This gun was bought new about 3 years ago. \$375.00 207-756-3433 Gouldsboro, ME
